

Below is a motion that I would like for you to think about that addresses the request made by the Ontario and Nebraska CCA Boards at our last Board Meeting.

This proposal was not submitted in time for our pre-meeting 60-day agenda cut-off. However, there was an effort to submit something prior to the final cut-off. Because there was an effort put forth, and because of the importance of the topic to several boards, I would like to allow time for a discussion on this motion following the Continuing Education Report. I would also like to break protocol by asking for a vote on this motion following our discussion even though it was not submitted in final form prior to the 60-day cut-off.

To do this I need your help. Please visit with your local board members about this motion prior to the meeting and offer any feedback, comments, concerns, by e-mail. We will need to limit the discussion during our meeting to the time allowed so an e-mail discussion prior to the meeting will help us optimize our time.

Motion: To require all CCAs to submit the on-line self-reporting CEU form along with supporting documentation when reporting self-reported CEUs. Forms will be sent directly to the appropriate local board by the CCA. Local boards have the option to audit and approve the forms before forwarding them to the Madison office for recording.

Please email me at hbrown@growmark.com with your comments or questions.

Thank you
