

## **Motions to consider at the ICCA board meeting**

1. ICCA Executive Committee  
Motion: To instruct the staff to seek ANSI ISO accreditation.

Background document was reviewed on the July 2009 webinar as well as at prior ICCA Board meetings. It is contained here.

2. ICCA Executive Committee  
Motion: To provide financial support to establish a position based in the ASA Washington DC office to focus on policy issues and agency actions that provide benefits to certified professionals (CCA, CPAg, CPSS/C) in agronomy and soils.
