

# **ASA UPDATE**

**21 September 2011**

# **ASA financial status is excellent:**

- 2010 Net income was about \$1M**
- 2010-net worth of \$8.9M**
- 2011 profitable as well.**

**From the leadership of  
Fred Vocasek (CCA and  
ASA Board Member), ASA  
Science Policy Committee  
has been very active:**

- **Save our GPS-signatories on letters detailing the effects on agriculture**
- **Developing a task force to address water issues**

**ASA is now organized into  
7 sections with 36  
communities:**

- **Agronomic Production Systems  
(10 communities)**
- **Biometry and Statistical  
Computing (3 communities)**

- **Climatology and Modeling  
(8 communities)**
- **Education and Extension  
(6 communities)**
- **Environmental Quality  
(5 communities)**

- **Global Agronomy  
(2 communities)**
- **Land Management and  
Conservation  
(2 communities)**
