

Greenfield Scholars Program

Greenfield Scholars

- Established in 2013
- Mentorship program for future practicing agronomists (CCAs!)
- Program designed to mirror the Golden Opportunity Scholars Program
 - Administered by ASA, students must apply and have at least one letter of recommendation
 - Awards committee determines winners
 - Up to 10 students/year
 - Travel to Tri Societies Annual Meeting
 - Assigned a mentor
 - Travel to Congressional Visits Day

Greenfield Scholars –challenges/issues

- Declining # of applicants
- Identification of willing mentors
- Travel restrictions
- Lack of connection with SASSES club sponsors or other ASA members

Greenfield Scholars –future

- Open to suggestions/discussion
- Task force to review and possibly revise the program (volunteer opportunity!)
- Still seeking mentors (volunteer opportunity!)
- New leadership of the program at ASA –Rachel Leege
